Interactive Class &  
Conference Room Solutions**

## PROFILE

Jyoti Audio Visual established in 1984 for providing Sales & Service support of Audio Visual Products. Today we are the leading sales and service provider of Audio Visual Products in India with a network of nearly 100 Channel partners across the country. We represent all the leading brands in the Audio Visual Industry like, Ahuja, Beyer Dynamics, Behringer, Focus, Interwrite, Mistubishi, NEC, Panasonic, Studio Master, Sony, Wharfedale etc. In addition to representing the leading brands, we also import audiovisual products under OEM agreement and market all over India with our Channel Network. We give complete marketing and after sales support to our team. We also give complete technical support to our Channel Partners to take up all the AV integration jobs and with the help of our Partners we have successfully completed various projects across India. Our products are high and stable in Quality and Performance.

## VISUAL PRESENTER

High quality document camera that shows text, hand written notes, transparency sheets, printed matter, newspaper clips, maps & 3D objects. Simple but elegant appearance. Light and portable head rotation of horizontal and up/down 270 degree. Multi- control of control panel, remote, RS-232 and USB.

## PROJECTION SCREENS

### Tripod Stand Screens

Tripod screens are screens that can be placed on the floor and can fold into very small packing for portability.

### Available Sizes:

|                 |                  |
|-----------------|------------------|
| 84" (4ft x 6ft) | 100" (7ft x 5ft) |
| 70x70 (6x6ft)   | 120" (8ft x 6ft) |

### Motorised - Manual Screen, Fabrics

Manual Screens offers you a pull-and-release system that allows you to lower them to a desired level. Motorised projection screens with RF remote control use electric motors to power the screen up and down.

The latest projection screen material can make a significant difference to any film or presentation. In the case of Glass Beaded projection fabrics, the emitted image is exceptional.

### Available Sizes:

|                 |                  |                   |
|-----------------|------------------|-------------------|
| 84" (4ft x 6ft) | 100" (7ft x 5ft) | 150" (10ft x 8ft) |
| 70x70 (6x6ft)   | 120" (8ft x 6ft) | 180" (12ft x 9ft) |
